WELCOME !

It is with great pleasure that the Sailing Association AVAS welcome you here to Lovere on Lake Iseo.

I'm sure that you will enjoy the sailing and other activities on our lake.

Here you'll find not only the blue of the lake and the beauty of the surrounding mountains but also the right winds for all types of regatta.

The presence of the Alps guarantees ideal thermal winds blowing from the south to the north, creating ideal sailing conditions challenging the skill of the competitors.

Our association is always at your disposal and with the support of our modern and efficient marina we aim to be able to help in all circumstances

Space will be provided for visitors' boats in our ample well equipped port.

The pre-registration is now open and we are waiting for your numerous entries.

We have been working towards providing a highly competitive event with many enjoyable moments.

Welcome to the International Grand Prix 18ft 2010.

(President of Avas)
