## **Welcome**

*It is with great pleasure that the Sailing Association AVAS welcomes the Soling Class here again.*

*In the last few years our Association and the Soling Class have been united with great sport and friendship.*

*The touristic Port and the town of Lovere are ready to welcome you all from the 16<sup>th</sup> to the 19<sup>th</sup> of June.*

*I am certain that you will enjoy yourselves on our lake, not only with the sailing but also with all the other activities available.*

*Here you will find again, and I'm sure appreciate, the intense colours of the nature which surround our Iseo Lake: the blue of the sky which reflects in the water of the lake and the green of the nature all around, and in the background the white peaks of the glacier of Adamello.*

*The thermals which begin to blow constantly at the end of the morning allow you to test your competitive ability and at the same time enjoy the pleasure of sailing.*

*Our Association and our voluntary organisation for the regattas know how to demonstrate their ability to welcome you and to help you pass the time before and after the regattas in pleasurable friendship.*

*We will try to get you to appreciate our cooking, with typical products from the Valle Camonica and the nearby areas.*

*The competitors will be given appropriate moorings in the large and well equipped port. The pre-registration is already open and we are awaiting your numerous entries.*

*Welcome to the World Championship Soling Masters.*

*Lino Locatelli*

*(President of Avas)*
